

Bunny/ Bell Origami Fold

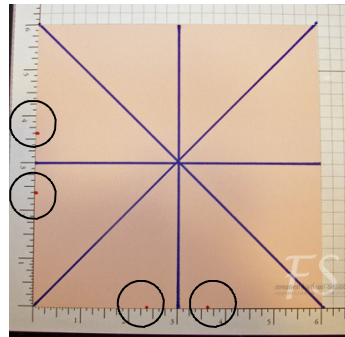

Fran Sabad / fran@franticstamper.com

This will show you the fold using a 6 x 6 piece of card stock or Designer Series Paper. You will find the dimensions for other sizes at the end of this tutorial.

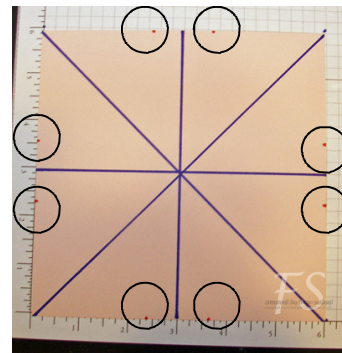

1. Start with a 6 x 6 piece of card stock and score at 3" on each side and then score both diagonals as shown.

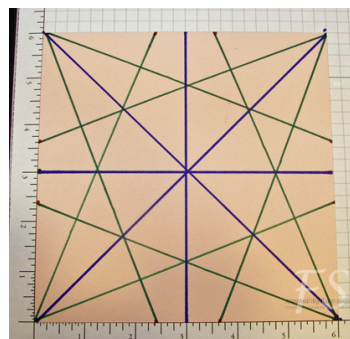

2. On both sides of the 3" score lines, mark 5/8" as shown.

3. If you use grid paper you can simply rotate the paper and mark the other two sides at the 3" mark.

4. Now score from each corner to the 5/8" mark so that it looks like the diagram.

5. Score all the lines—all of them—and fold the corners in on themselves.

6. Use your Crop a dile to punch holes in the corners and lace a ribbon through to close.

The measurements for other sizes are as follows—

10 x 10—score from step 1 at 5". Make your side marks at 1 1/8"

8 x 8—score from step 1 at 4". Make your side marks at 7/8"
