

Post it “Purse” Project

You will need:

Cardstock

Corner rounder

Word Window Punch

Magnets

For a holder fitting 2” post its:

1. Cut your cardstock to 2 1/4” x 10” Stamp desired background.

2. Score this piece at 4 1/2”, 5” and 5 1/2”.

3. Fold the piece at the 5” score mark, right sides together, and round the corners. Make a pencil mark 3/4” down from the rounded corner.

4. Punch the “handle” with the Word Window punch leaving the entire 3/4” to the top of the holder. Fold the score lines towards themselves to create the holder.

5. Peel one side of the magnet and place above handle. Peel the other side and close the holder to connect both pieces in the same place.

6. Fold the bottom score marks up to find the placement for the post it note.

7. Decorate as desired!
